

POTAGER COMMUNITY GARDEN CIC

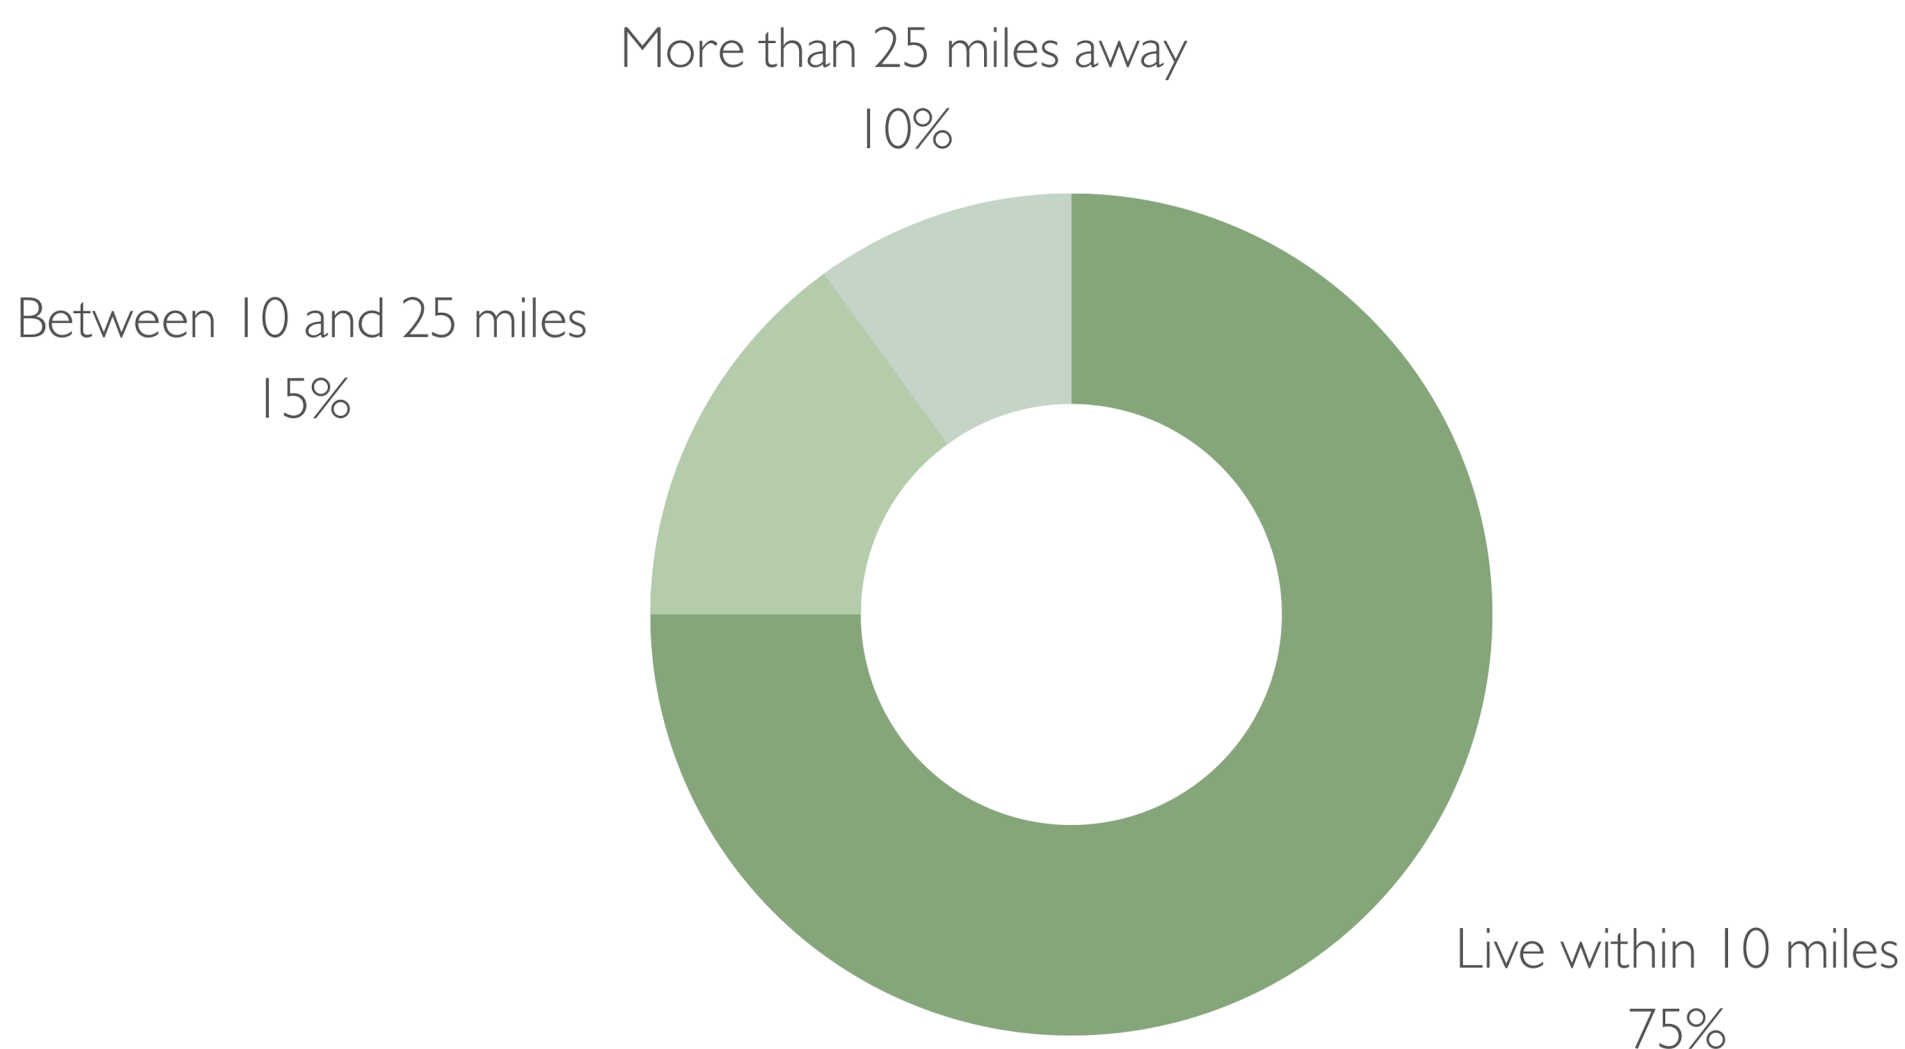

Community engagement survey results

We asked people in our community*

- what issues are important to them
- what activities they would like Potager to offer
- what they would hope to get out of taking part
- whether they would like to come to Potager or access activities locally
- what barriers might prevent them from participating

*we received a total of 255 responses from an online survey and questionnaires in local venues.

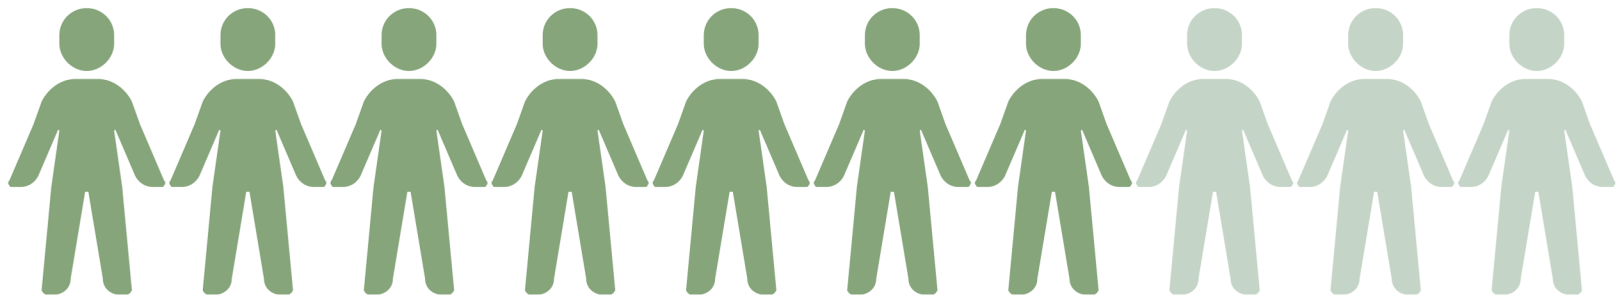

Where do respondents live?

Social Issues

We asked about a range of social issues, and how important they were for respondents personally. The infographics show the proportion of respondents who answered important or very important.

Cost of Living Crisis

Mental Health Support

Training and Opportunities

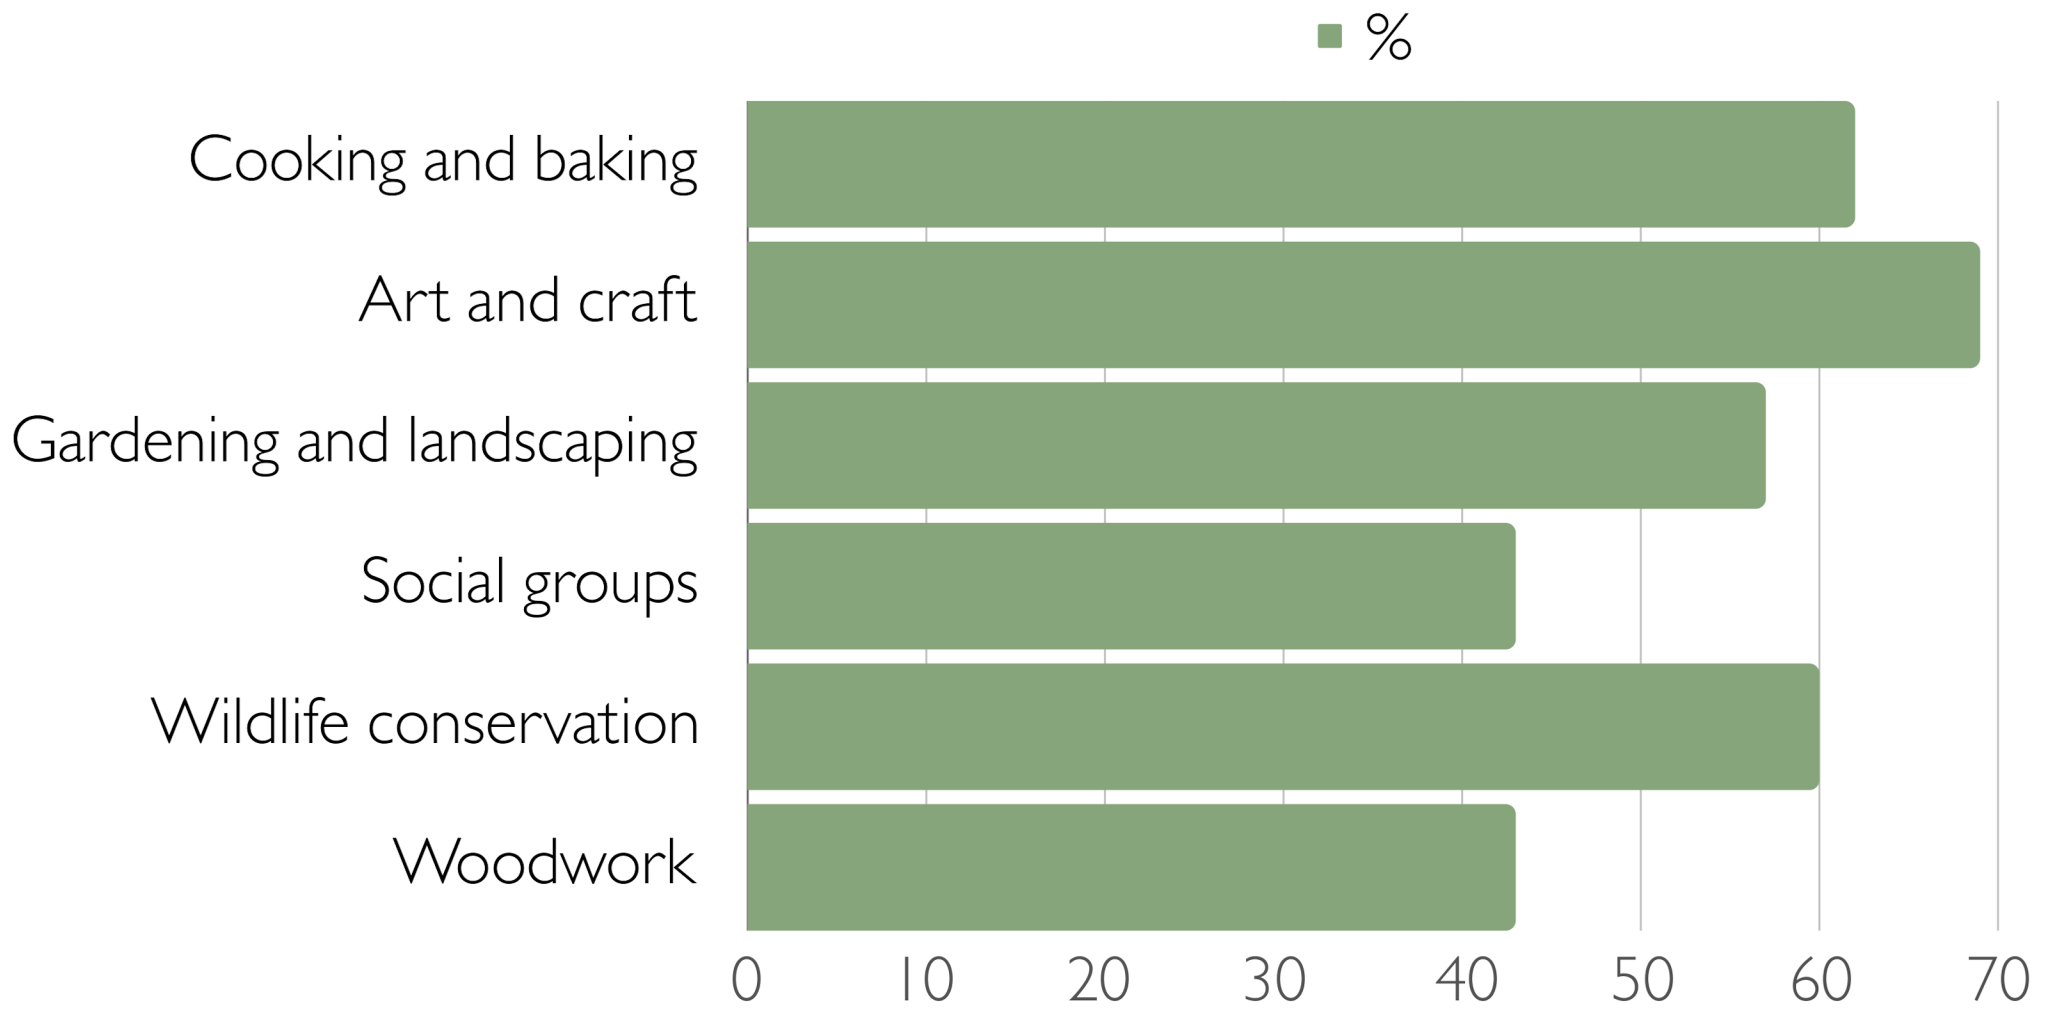

Social Inclusion

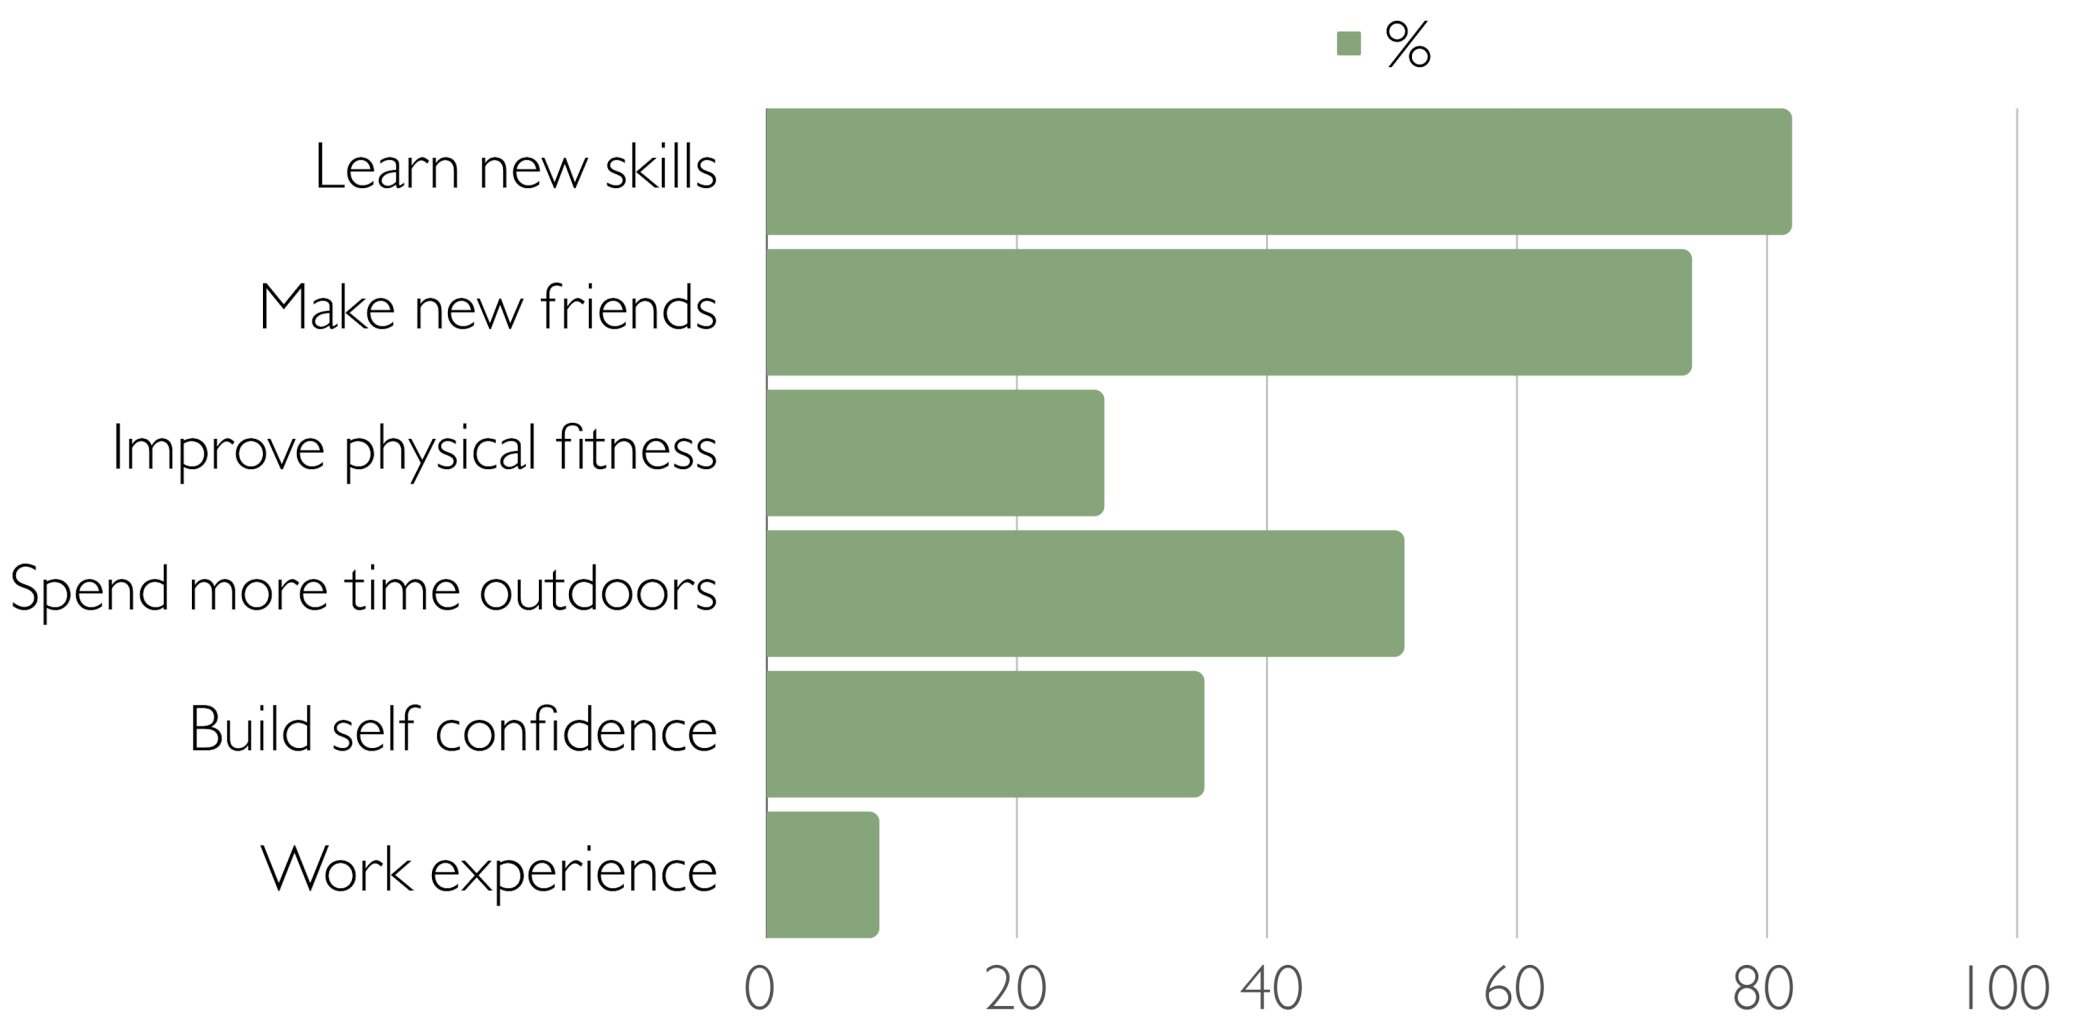

Activities

We asked what activities respondents would like to participate in.

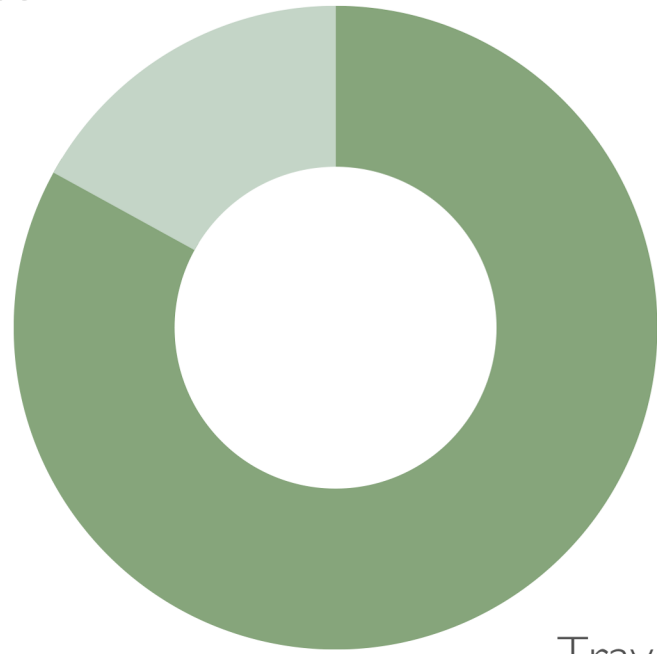

And what they would like to get out of taking part.

Location

We asked whether there was a preference to come to Potager or access activities more locally.

Local facility
17%

Travel to Potager
83%

Barriers to Participation

We asked respondents what barriers would prevent them from participating in activities at Potager.
